• ABOUT

I have experience working in the games and film industry both in-house and remotely as 3D Generalist Artist & Character Animator. I also design and self publish advert-free video games which are available on the App Store and Google Play (Search "Jimmy Mole"). I have achieved many qualifications and put my hand to different skills over the years including Plumbing, Customer Service, Press Operating, Assembly work, Spot Welding, Armed Forces and a number of skilled driving roles including Buses and HGV's.
